## Details of the hunt

The scavenger hunt will be played in teams of 3 people. You can either sign up with your own team or individually and you will be assigned a team. We expect there will be many singles signing up so please don't hesitate because you don't have a partner. Children under the age of 10 can play without taking up a slot on the team.

Before starting the hunt, each team will be given very detailed written rules, a map to downtown Oak Park showing parking lots plus photos of scavenger hunt items to be located. The idea is to take your own photos of these objects. The team with the most matching photos is the winner.

We will meet at my house (see sidebar), go to downtown Oak Park, and reconvene at 5:30 for pizza. You can enjoy your pizza on the front porch, backyard or the park right across the street. While we are eating, the hunt results will be tallied and prizes given to the winning team.

If you register ahead of time on the ALDA website, you will be emailed a map to my house. Otherwise, you can use a GPS or Mapquest to find it.

If you'd like to bring a dessert to share with the group, please do so.

REMEMBER THIS IS NOT A RACE. THERE WILL BE PLENTY OF TIME TO FIND ALL THE ITEMS.
